

## The Lindi Skin Facial

Lindi Skin products are formulated to help alleviate the skin related side effects from cancer treatments.

Lindi Skin is clinically proven, doctor recommended, dermatologist tested, allergy tested and non-irritating.

Our licensed esthetician will provide a facial that is approximately 90 minutes and includes the following:

deep cleanse  
steam  
gentle exfoliate (if recommended by esthetician)  
if no contraindications, extractions and a brow tidy  
deep cleansing mask  
face and decollete massage  
toner  
eye hydrator  
face moisturizer  
facial serum
